The Court previously stayed the present case pending a ruling in the New York case and ordered the parties to submit a joint status report after receiving the New York court's ruling. (ECF No. 9.) According to the Joint Status Report, the New York court dismissed the case with prejudice for lack of personal jurisdiction. (*See* ECF No. 10; *see also* Ex. A.)

Accordingly, the Court **HEREBY LIFTS** the stay on Petitioner's obligation to file a motion to compel arbitration or notice a hearing. (ECF No. 9.) In light of the New York court's ruling and pursuant to Civil Local Rule 7.1(e), the Court **DENIES AS MOOT**
